## Position Tracking: Overview

escoutah.com | Desktop, Salt Lake City, Utah, United States (Google) | Organic | Jul 01 – 31, 2022

### Visibility

**8.20%** –0.06%

This metric is based on CTR and shows a domain's progress in the Google top 100. The more visibility you have, the better. A 100-percent visibility would mean that the domain being tracked is ranking in the first position for all keywords in your campaign.

### Estimated Traffic

**5.43** +0.01

The estimated amount of traffic your domain is receiving while ranking for the keywords in your current campaign. It is calculated by multiplying the average CTR for each position your domain has by its keyword volume.

### Average Position

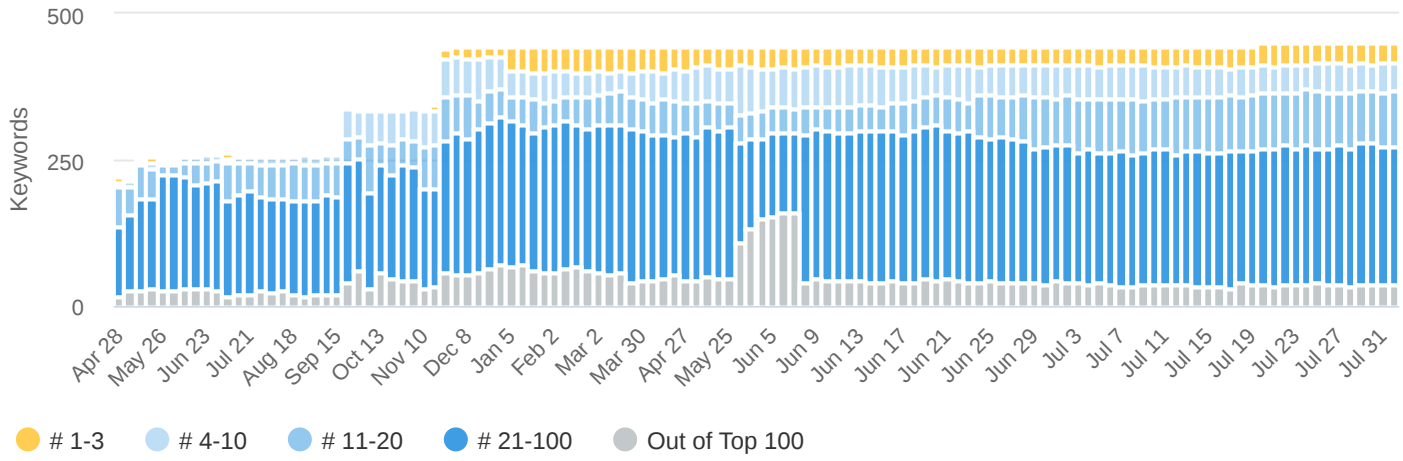

**36.00** ↑ 2.61

The average ranking of all keywords in your current campaign.
